

## GOV 310L

### The American Political System

Prof. John P. McIver

Unique #: 38455

Spring Semester 2021

Monday/Wednesday/Friday 10:00-11:00

On-line

The purpose of this course is to introduce you to the institutions, processes and actors that make up the American political system and to encourage you to think critically about the nature and quality of American democracy. To achieve these objectives, I have chosen a textbook that focuses attention on the role of citizens as key actors in the democratic experiment that we call the United States of America.

#### BOOKS

\* The primary (required) textbook is:

Christine Barbour & Gerald C. Wright, *Keeping the Republic, The Essentials*  
(9<sup>th</sup> Edition/VANTAGE Digital E-Book), Washington DC: CQ Press.

This book should be available thru the COOP or you can order the electronic version on-line at  
<https://edge.sagepub.com/barbour9e/access>

*Keeping the Republic* provides a simple but powerful framework for helping you to think about how our complicated political system works. The framework will help you see how government, politics and the larger society (economy, society, culture, position in the international system) are deeply and systematically intertwined. The framework is explained in Chapter 1 of the textbook and is referred to frequently throughout the rest of the book.

*Keeping the Republic* also asks that you think about the American system as a whole, as well as particular political practices and institutions. You will be asked in each chapter to think about "What's at stake?" both for the nation and for you as an individual member of the American political system.

\* A Newspaper. You are responsible for keeping up to date on major national and local news. You will need access to a daily newspaper. The NY Times and the Washington Post are available at a student subscription price of \$4/month.

\* For additional information on the current Texas legislative session, see the *Texas Tribune* web site: <https://www.texastribune.org/series/texas-legislature-2021/>. You can also watch the Texas House and Senate in action on the Texas Tribune's livestreams of their proceedings.

\* Web-based and supplemental readings - See the "Syllabus" section of the Canvas web pages. (Check the syllabus regularly for updates and new supplemental materials)

## **COURSE WEB SITES**

1. Canvas.

This site includes a copy of the syllabus, class announcements and other materials the TAs and I believe would be of interest or use to you. Please look at the site at least once per week during the semester.

2. The "Keeping the Republic" VANTAGE website

This site includes both the book and additional study materials.

## **COURSE REQUIREMENTS**

You will need to read all assigned book chapters and complete associated chapter quizzes (10%). Additional book activities and brief class assignments are worth 10%. Three examinations will be given - two "midterm" exams each worth 15% of your grade and a comprehensive final exam worth 30%. Exams will emphasize lectures and Texas politics material not covered in the textbook. Two short papers based on your own analyses of American politics are required. These are worth 20% of your final grade.

Exam I. Friday, February 26<sup>th</sup>

This examination will cover the readings and lectures. It will be a multiple-choice and short answer exam.

Exam II. Friday, April 9<sup>th</sup>.

This examination will cover the reading and lectures since the 1st midterm. It will be a multiple-choice exam.

Final Exam. Saturday, May 15<sup>th</sup> 7:00 PM to 10:00 PM (subject to change)

The final examination will be comprehensive. It will be a multiple-choice exam.

Short papers will be due on March 10<sup>th</sup> and April 28<sup>th</sup>. Details will appear on CANVAS. Additional assignments will be handled out in class.

## GRADING POLICIES

Plus/Minus grades will be used for all assignments. Course grades will include +/- distinctions. (A+ is not a valid grade at the University of Texas.)

No makeup exams will be given unless I am notified IN ADVANCE and the reason you cannot attend is valid. (That you've already purchased a plane ticket to go home or on vacation is not a valid excuse.)

Extra Credit will NOT be given for projects not generally assigned. (Complete the assigned work and you will not need "extra credit".)

In order to complete this class and receive a final grade, you must turn in all papers and take each of the exams.

Attendance: Attendance will not be taken regularly but attendance COUNTS. That is, you will probably not perform well on the exams without attending class. And you may miss quizzes or in-class exercises. Note that your e-book does keep track of your activity/usage.

## UNIVERSITY POLICIES

### Academic Honesty

The University of Texas operates under an "Honor Code":

The core values of the University of Texas at Austin are learning, discovery, freedom, leadership, individual opportunity, and responsibility. Each member of the University is expected to uphold these values through integrity, honesty, trust, fairness, and respect toward peers and community.

Please review the following to learn your rights and obligations:

What is Academic Dishonesty? (UT Dean of Students)

[http://deanofstudents.utexas.edu/sjs/scholdis\\_whatdis.php](http://deanofstudents.utexas.edu/sjs/scholdis_whatdis.php)

### Students with Disabilities

Students with disabilities may request appropriate academic accommodations from the Division of Diversity and Community Engagement, Services for Students with Disabilities, 471-6259, <http://www.utexas.edu/diversity/ddce/ssd/>

If you have a disability that may have some impact on your work in this class, please see me or a TA, after class or during office hours, so we may accommodate your needs. We are willing to work with any student who needs additional help, but please let us know of any problems **in a timely manner**. Please do not wait until the week before a test to tell us there's an issue we need to deal with.

### Religious Observances

The University of Texas acknowledges an obligation to accommodate all students who must be absent from classes or miss scheduled exams in order to observe religious holidays.

By UT Austin policy, you must notify me of your pending absence at least fourteen days prior to the date of observance of a religious holy day. If you must miss a class, an examination, a work assignment, or a project in order to observe a religious holy day, you will be given an opportunity to complete the missed work within a reasonable time after the absence.

### Emergency Evacuation Policy

In the event of a fire or other emergency, it may be necessary to evacuate a building rapidly. Upon the activation of a fire alarm or the announcement of an emergency in a university building, all occupants of the building are required to evacuate and assemble outside. Once evacuated, no one may re-enter the building without instruction to do so from the Austin Fire Department, University of Texas at Austin Police Department, or Fire Prevention Services office.

Students should familiarize themselves with all the exit doors of each room and building they occupy at the university, and should remember that the nearest exit routes may not be the same as the way they typically enter buildings.

Students requiring assistance in evacuation shall inform their instructors in writing during the first week of class.

## **EXPECTATIONS**

What your TAs and I owe to you:

- We will treat you with respect
- We will try to make this course a worthwhile educational experience
- We will be there for each scheduled class
- We will be available during regularly scheduled office hours
- We will answer your questions to the best of our abilities
- We will evaluate your written work fairly and with care

## Your obligations

- To act with civility towards your teachers and classmates.
  - Specifics:
    - If you must leave class before it is over, please sit at the rear of the lecture hall and let yourself out quietly.
    - Cell Phones: Please turn off your cell phone ringers prior to class.
    - Computers: Please use your computers for class related purposes only. Other uses are often disruptive.
- To be honest in your academic performance ....cheating is dishonorable and unfair to others and to yourself. The consequences for cheating will be the maximum allowed by university rules.
- To be prepared for each class ...you will get more out of your class session if you have read all assigned materials prior to the class and formulated questions on matters about which you are unclear.

Please be on time for class and early (if possible) for all exams.

## About the Instructor:

Prof. John P. McIver  
Office: Batts Hall 3.134  
On-Line Office Hours: W 3:00-5:00, and by appt.  
E-mail: [mciver@austin.utexas.edu](mailto:mciver@austin.utexas.edu)

## About the Teaching Assistants:

Student last names begin:

[Aa – He]	Chris Cassella, <a href="mailto:chris.cassella@utexas.edu">chris.cassella@utexas.edu</a>
[Hi – Ze]	Emily Davis, <a href="mailto:emilyadavis@utexas.edu">emilyadavis@utexas.edu</a>

## **WEEKLY SYLLABUS**

**(See updates on the class Canvas page)**
