Office Hours: Monday & Tuesday 3:30-5:00PM

Email: [redacted]

Office Hours: [redacted]

## COURSE DESCRIPTION

Eastern Europe is home to a diverse population. In the past 100 years, the map for Eastern Europe has been redrawn more than a dozen times – often with great consequences for ethnic politics. We will study this region through this lens:

1. Ethnicities of Eastern Europe through a historical analysis of three “wars”.
2. Domestic Institutions: How democratic institutions accommodated ethnic minorities.
3. International Institutions: The impact of the European Union and its policy of open-borders.
4. Domestic Institutions (again): How the European Union facilitated rise of right-wing parties.
5. Implications for minority accommodation in post-Soviet republics.

## LEARNING OBJECTIVES

After completing this course, you should be able to

**01** Explain politics in Eastern Europe – as a region and in a particular city.

**02** Conduct basic text analysis on a Facebook-scraped corpus.

## REQUIRED READINGS

There are **no** assigned books for this course.

All **required** materials will be posted on Canvas.

## REQUIRED TECH

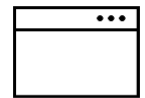

Computer

Headphones

WiFi

Drive

Web Browser

PDF Reader

## DETAILED COURSE INFORMATION ON CANVAS

## COURSE FORMAT

This course meets twice a week – [online](#) and [synchronously](#). Transcripts from class lectures will be posted on Canvas. The first class of every month will be dedicated to a current event in the region.

## COURSE POLICIES

### COVID + EVERYTHING ELSE

My primary course policy this semester is to be flexible, so let me and [redacted] know if you need help. Our hope is that our class will give you something to be excited about, and our goal is to help you succeed this semester.

### LIFE TOKENS

Life happens – especially right now. Use up to 2 life tokens for a no-questions-asked deadline extension for up to 1 week or assignment resubmission.

PS: Let me know when you are using a life token. An email saying “Dr. Liu, I’m using a life token on X” will suffice.

### DUE DATES

Assignment due dates are designed to help you progress through the course while engaging in deep learning. Late work without a Life Token will be penalized one letter grade per 24 hours.

### FEEDBACK

Typical response time for non-urgent emails: 24 - 48 hours.  
Typical grading return: 1 week after submission.

PS: [Redacted] and I reserve the right to not respond 12 hours before an assignment is due.

### ACCESSIBILITY

If you need any accessibility-based accommodations, please let me know so we can make appropriate arrangements.

### ZOOM + NETIQUETTE

Please arrive on time, restrict distractions, and arrange to have your camera on if possible.

Use appropriate language for a classroom setting.

When emailing me, please address me with either “Prof.” or “Dr.”

### PRONOUN USE

I will gladly honor your request to address you by a name that is different from what appears on the official roster, and by the gender you use. Please advise me as soon as possible.

### TITLE IX REPORTING

[Redacted] and I are Responsible Employees. We will report any Title IX related incidents that are disclosed in writing, discussion, or one-on-one.

### ACADEMIC INTEGRITY

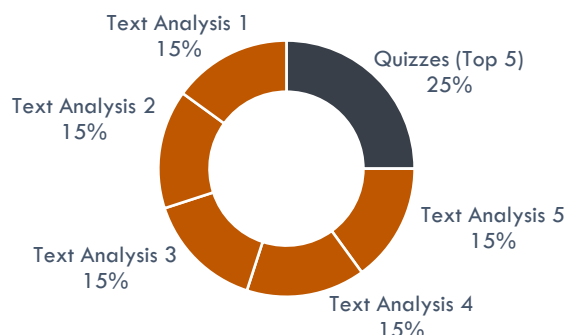

You are expected to abide by the Honor Code. Violations are subject to academic disciplinary action.

## ASSIGNMENTS & GRADING

### CANVAS QUIZZES

TOTAL: 6

There are six total quizzes. The first will be a syllabus quiz. The other five will correspond to the end of each section. These five quizzes will cover lecture material, reading assignments, and current events (if discussed in class). **I will drop the lowest quiz grade.**

### TEXT ANALYSIS ASSIGNMENT

TOTAL: 5

You will be assigned an East European mayor for the semester. For the first assignment, you will familiarize yourself with the mayor’s political profile and their city’s history. For the remaining four assignments, you will scrape their Facebook timeline and answer prompts – one per calendar quarter – using the scraped text.

	GRADE		GRADE
>93%	A	73-76%	C
90-92%	A-	70-72%	C-
87-89%	B+	67-69%	D+
83-86%	B	63-66%	D
80-82%	B-	60-62%	D-
77-79%	C+	<60%	F
